CUSTOMERS OWN MATERIAL:

Our house ranges represent a broad spectrum of materials that we believe hold up to a commercial level of wear and tear whilst maintaining a high level of finish.

We are more than happy to work with any customer specified materials from concept work to final production.

WARRANTIES:

All upholstery material warranties are based on manufacturer's warranty.

ADDITIONAL NOTES:

Prices are subject to change.

The images in this catalogue are a guide only, and they may vary with different displays.

We recommend seeing a physical sample before ordering.
